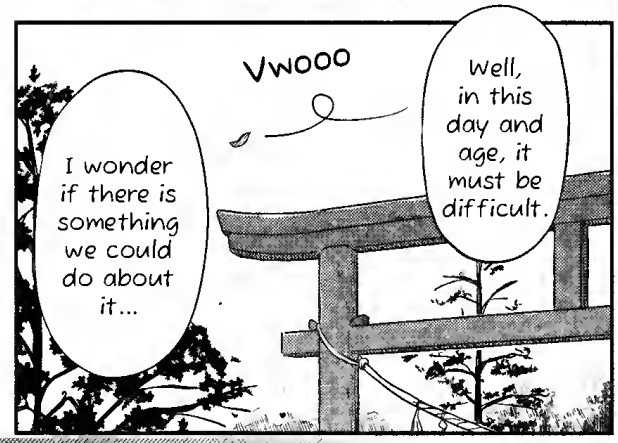
ゆりめく013

Sayuri, have you heard the news? Our shrine is on the verge of bankruptcy.
Is that so...

I am Sayuri, a new Miko.
Today, I'm working together with my admired Yoriko-senpai.



Vwooo
Well, in this day and age, it must be difficult.
I wonder if there is something we could do about it...

That's how they do it in another religion!

We are just Miko... We can do nothing but pray.

The heater hasn't been working properly since this morning.
ブーン vwoom
Oh, isn't it a bit cold here inside the stand?
shiver

Yes.
rattle ガチャ
Sayuri, it's shift time.

startle
Let's just do something about the heater!
I'm going to warm you up.
Haah Haah

I-I'm sorry.
You should have said that right away! You shouldn't try to endure this!
You are so cold...
ぴと touch

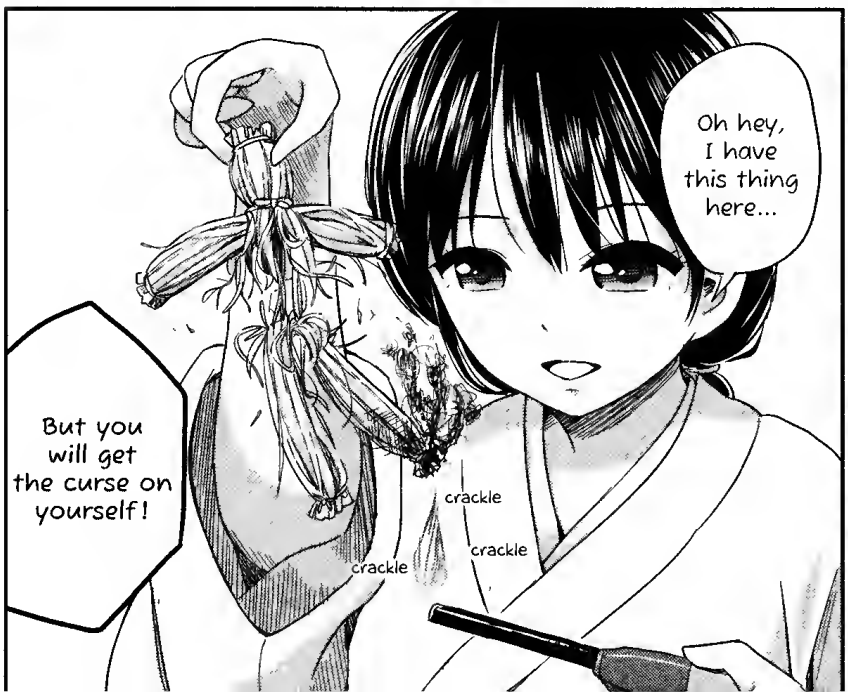
『She knows no fear.』
Kyaah!
What's the matter?
Isn't this one of those straw dolls that are used for curses?
Oh, you're right.
ゾっ chill
It's still new.
I thought those only exist in dramas.
ザワ rustle
So that means that somebody cursed someone here recently.
Scary...
ザワ rustle
フイ snap
フイ
I wonder if there is someone's hair inside...
Hey?!
You're going to get the curse on yourself!

We got some sweet potatoes from a visitor.
Oh.

『It looks like it would burn easily though.』

I just gathered all the leaves, so how about roasting them?
That is a good idea.

The potatoes are ready for roasting, Senpai.
I'll set fire to them then.
Ignite



Oh hey, I have this thing here...
But you will get the curse on yourself!
crackle
crackle
crackle

Do you have news-paper or something?
I'll go and bring some.

『But we are Miko...』
Senpai, the creepy photo-grapher is here again!
Haah Haah
Again? What a bother.
We don't know how she'll react, so we have to be careful.
If we had some-thing to defend ourselves with...
Actually, I think there was something just right in the barn.
We must warn her directly.
You're right. But it's scary...
tug
tug
tug
Why, it's a western great sword...

I haven't taken a photo of anything!
Show me your camera then.
I don't want to!

Thud
Aff-ord-able
Excuse me, didn't you just take a photo of us secretly?
Eek!
startle

This is me! And there're many of them!
beep
Ouch ouch aargh!

clang
Aah!
thunk

1000 yen
Eeeh?!

We demand monetary compen-sation!
This is clearly an invasion of privacy, you know?

『What are you thinking?』
beaming
はぁはぁ
1000 yen is cheap! I'll pay for any number of them!
Are you fine with this, Senpai?
What we need now is money, right?
But...
I'd like a picture with the two of you together.
snap

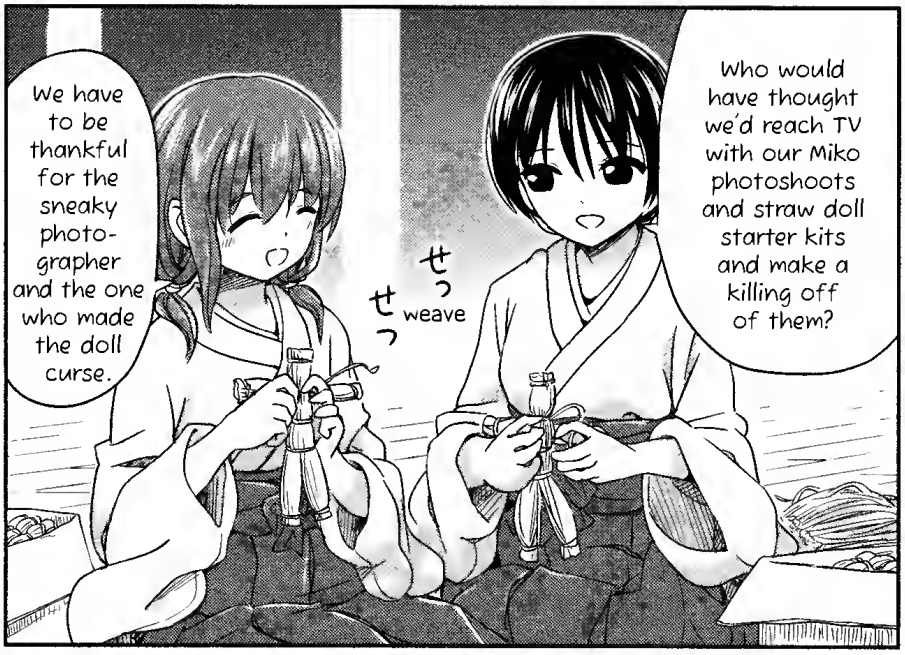
Request fee will be 10,000 yen added to the price.
I will pay for it!
Next, I'd like to have one with you two, you know, more entwined.
In a yuri-like way...
Understood.
Not like that!



We have to be thankful for the sneaky photo-grapher and the one who made the doll curse.
せっ せっ weave
Who would have thought we'd reach TV with our Miko photoshoots and straw doll starter kits and make a killing off of them?
